Sacrifices lyrics big sean

Brr, I look up so much (to my don shit) So, so much if the young Metro doesn't believe you, I'm gon' shoot you've made sacrificed, so many victims I've made gave up so much free time knowing that time isn't free Fuck it I've sacrificed that my girl to show me love, she knows I've sacrificed, and if it's real, real love then you're a victim to get in front of the man you have to sacrifice, even if that's how hungry my appetite is fucking what you're telling me, I feel jealous I have telepathy, I have a recipe I got on the streets and I don't have any crimes forward thinking yes, my mind is in front of me Mama said it's going to be whatever it is this is some homies I grew up with it is dead to me It's some niggas that I met in debt to me What's common is that they both pay respect to me I understand this my way from Friday to Friday My girl's mix of Aaliyah and Sade I've come a long way since Marvin Gaye and chardonnay I pull out of the driveway like I'm in a car chase, speeding up and if my bitch cheat knows that I'm leaving no text no call, boy, that bitch plane code mode No peacoat there is no time to change clothes, Same clothes Love if you live by the same code, G code, let him Fuck it dead to me, back to my penthouse fate, bird's eye, which is a nest for me I got myself out of debt when you see me know that you are someone whom I will never need sacrifices, so many sacrifices I made gave up so much free time knowing time is not free Fuck it I sacrificed it My girl to show me love, She knows that I sacrificed, and if it is real, real love, then you sacrifice yourself to get in front of a man, you have to sacrifice yourself, even if it is how hungry my appetite is To cut that out of my inner energy, never the enemy, and I sacrificed my own time, which I sacrificed with my own mind, which I sacrificed in the club life I sacrificed, from my energy focused on inner me, never on the enemy and I sacrificed my own time I sacrificed my own mind I sacrificed club life I sacrificed my love life I sacrificed robber life Diamonds shining is no boring life Drop my peak to get my mind right Pull in 'Rari loud tube where I don my wrist hundon ooh yes gucci python ooh yes she play with her tongue yes, I bought that bitch a new charm Let the top on told her to come see me Come see me the devil came into my soul My mom had to beat me Remember that my great mom told me that you should be someone to hop in my seats massaged (yes) Watch as I leave owning I made a deposit MPay all these essentials with the game (yes yes) Sacrificed yo stripes for this stain (Victim) that you sacrificed your life for this chain (yes yes) Sacrificed that money for cocaine (white, phew, coco) The left hand has three rings which is Bron Bron We up one, bad bitch she and savage Take her to the mall buy her something That's want to make your friends come Make way with the tommy gun Why can't can't recognize that we all came from the victim Why you can not realize that we all came from the victim Ten toes yes you have to stay down yes Just some young looking for a way out aye People watching yes, I have to skip town yes Hit my phone if you need a whole pound yes made sacrifices, so many victims I made gave up so much free time knowing that time is not free Fuck that I sacrificed this my girl to show me love, she knows that I sacrificed, and if it's real, real love, then you sacrifice yourself to get in front of a man, you have to sacrifice yourself, even if it's how hungry my appetite is that I know my big, great, great aunt was a slave I could imagine all the sacrifice she made that I could imagine all the she had to take to make sure all the blood she gave wasn't a waving sacrifice for your funny boy. Mr. Anderson in the Matrix Check the last name it's all facts And the human race is all about pacing that we all came from the victim [Big Sean & Future :] Brr - I look so much - (To my don sh_t) So, so, so much if you Young Metro does not believe, I will shoot you [Big Sean:] I sacrificed, so many victims that I made, gave up so much free time knowing that time is not free F_ck and I sacrificed F_ck my girl showed me love, knows that I sacrificed and if it's real love, then you sacrifice yourself to get in front of a man, you've got to sacrifice F_ck it even though that's how hungry my appetite is F_ck what you're telling me, I feel jealous I have telepathy, I have F_ck recipe I got on the streets and I don't have any crimes forward thinking yes, my mind is in front of me mom said that this is going to be what you let it be it's some homies I grew up with that is dead to me it's some n_ggas that I met in debt to me What's in Common is that they both pay respect to me I get my way from Friday to Friday My girl is a mix of Aaliyah and Sade I've come a long way from that Marvin Gaye and Chardonnay I pull the driveway as if I'm in a car chase, speeding and if my b_tch cheat knows I'm leaving no text no call, Boy, b_tch that plane mode code No peacoat there's no time to change, same clothes Love, if you live by the same code, G code, leave if F_ck you're dead to me, back to my penthouse fate, birds look at the eye that is F_ck F_ck nest for me I have my own out of debt when you see me know that you are someone I will never need victims, so many sacrifices that I made gave up so much free time knowing that time is not free and I sacrificed it my girl to show me love, she knows that I made sacrifices, and if it's real real love then you make sacrifices to get ahead of you gotta sacrifice F_ck though that's how hungry my appetite is I cut f_ck sh_t drama out of my energy focused on the inner self, never one enemy and I sacrificed my own self I made sacrifices my own mind I sacrificed club life I sacrificed my love life I cut f_ck sh_t drama from my energy focused on inner me, never on the enemy and I sacrificed my own time I sacrificed my own mind I sacrificed club life I sacrificed my love life [Öffnet] I made a sacrificed robber life Diamonds shining is no boring life Drop my peak to get my mind right Pull in 'Rari loud tubes B_tch I didn't don my wrist hundon ooh yes gucci python ooh yes She play with the tongue yes I bought that b_tch new charm Let the top on told her to come at me Come see me devil entered my soul My mom had beat it to me Remember that my grandfather told me that you should be someone to hop in my massage seats (yes) Watch as I leave to own I made a deposit M [Quavo:] Paid all these dues with the game (yes yes) Sacrificed yo stripes for this stain (Victim) I heard that you sacrificed your life for this string (yes yes) She sacrificed that money for c_caine (white , phew, coco) Left hand has three rings that are Bron Bron We up one, bad b_tch she and savage Take her to the mall and buy her something That's want to make your friends come Make way with the tommy gun Why can't y'all recognize that we all came from sacrifice Why can't y'all recognize that we all came from sacrifice Ten toes yes you gotta stay down aye Just some young n_ggas looking for aye. People watching yes, I have to skip town yes Hit my phone if you need F_ck F_ck a whole pound yes [Big Sean:] I made sacrifices, so many sacrifices I made gave up so much free time knowing that time is not free and I sacrificed F_ck my girl to show me love, she knows I've sacrificed, and if it's real real love then you make sacrifices to get in front of F_ck man you have F_ck F_ck sacrifice and even if that's how my appetite is, I know that my big, big aunt was a slave that I could only imagine the sacrifice she made, I could imagine all sh_t had sh_t take I'mma to make sure that all the blood she gave wasn't waving, I sacrificed for your funny boy, I'm Mr. Anderson in the Matrix to check the last name, that these are all facts, and the human race is about pace Look at all the ones I've been through, the one in the end as if I count backwards Never satisfied details classified until the afterlife to the victim, Don [Quavo:] Why can't you y'all recognize that we all came from the victim Why can't you y'all recognize that we all came from the victim's opinion 178 times comments Brr – I look so much – (On my don shit) So, so many if Young Metro don't believe you, I'm gon' shoot you , so many victims I made gave up so much free time knowing that time is not free Fuck that I sacrificed this my girl to show me love, she knows that I made sacrifices, and if it's real love then you make sacrifices to you in front of a man you have to sacrifice, even if that's how hungry you are appetite is fucking what you call me, I feel jealous i have telepathy, telepathy, recipe I got into the streets and I have no crimes Forward thinking yes, my mind is in front of me mom said it will be what you let it be It's some homies I grew up with it is dead to me It's some niggas that I met in debt to me What's common is that they both pay respect to me I get my way from Friday to Friday My girl is a mix of Aaliyah and Sade I've come a long way from that Marvin Gaye and chardonnay I pull up the driveway like I was in a car chase, speeding up and if my bitch cheat knows I'm leaving no text no call, boy that bitch plane code mode No peacoat there's no time to change clothes, same clothes Love if you live by the same code, G code, let him Fuck it you dead to me , back to my destiny Penthouse, birds eye view that's a nest for me got my self out of debt When you see me know you're someone I'll never need sacrifices, so many sacrifices I did gave up so much free time knowing time ain't free Fuck it I sacrificed it My girl show me love, She knows That I sacrificed myself, and if it's true love, then you sacrifice yourself to get in front of a man, you have to sacrifice yourself, even if it's how hungry my appetite is, that I carved that drama out of my energy focused on the inner self, never the enemy, and I sacrificed my own time, which I sacrificed with my own mind , I sacrificed the club life I sacrificed, drama of my energy focused on inner me, never on the enemy and I sacrificed my own time I sacrificed my own mind I sacrificed club life I sacrificed my love life I sacrificed robber life Diamonds shining is no boring life Drop my peak to get my mind right Pull in 'Rari loud tube where I don my wrist hundon ooh yes gucci python ooh yes she play with language yes , I bought, that bitch new charm Let top on told her to come at me Come at me come see the devil entered my soul My mom beat it me Remember that my grandmomma told me that you should be someone to hop in my seats massaging (yes) Watch as I leave owing I made a deposit M Paid all these essentials with the game (yes yes) Sacrificed yo stripes for that stain (Victim) I heard that you sacrificed your life for that chain (yes yes) She sacrificed that money for cocaine (white, phew, coco) Your left hand has three rings that are Bron Bron We up one, bad bitch she savage Take her to the store and buy her something that's going to want your friends to come make way with Tommy's gun Why can't you all recognize that we all came from the victim Why can't you all recognize that we all came from the victim Ten toes yes you have to stay down yes Just some young niggas looking for a way out aye People watching yes, I have to skip town yes Hit my phone if you need a whole pound yes I made sacrifices, so many victims I made gave up so much free time knowing that time is not free Fuck that I sacrificed it my girl me Love, he knows I sacrificed himself, and if it's true love, then you, You, victims, in order to get in front of a man, you have to sacrifice yourself, even if it's my hunger, I know that my great, great, great aunt was a slave, I could imagine all the sacrifice she made, I could imagine all the she had to take to make sure that all the blood she gave wasn't in vain, that I sacrificed for your funny boy, I'm Mr. Anderson in the Matrix to check the last name, they're all facts and the human race is on pace Look at all the ones that I surpassed the one at the end, as if I count backwards Never satisfied details classified until the afterlife to the victim, Don Why can't you recognize that we all came from the victim Why can't we all recognize that we all came from the victim
